

USING MILITARY GRID

Use the large format map of the North Shore and part of Vancouver to answer the following questions. You should work with one or two other people in completing this assignment.

1. Use the line scale on the map to find the distance between two blue grid lines on the map (eg. from 81 to 82):
2. What can be found at 732686?
3. What is at 676752?
4. What is located at 900622?
5. What can be found at 920672?
6. Locate the Lynn Valley Shopping Center and give a grid reference for it.
7. Find Park Royal North (shopping center) and give a grid reference for it.
8. Give the grid reference for Brockton Point in Stanley Park.
9. Provide a grid reference for the ferry terminal in Horseshoe Bay.
10. Provide a grid reference for the Pacific Colloseum, located on the P.N.E. grounds.

/see over for more questions

For the following questions, refer to the symbols guide on the back of the map, as well as the map itself. In the first blank for each item, draw the symbol used. In the second blank, give the grid reference.
