

## ***Viewing Guide: The Liberators - D-Day to the Rhine***

1. Other than accumulating raw materials, what purpose did war-time salvage drives serve?
2. What role did Canadian women serve in the Normandy campaign?
3. What new medical development helped control infections among the wounded?
4. Where else in Europe were Canadians fighting at the same time as D-Day? What nickname did these soldiers adopt?
5. Some of the war's toughest fighting took place prior to the breakout from Normandy. What German forces were the Canadians up against?
6. Though German Panther and Tiger tanks were infinitely superior to their Allied counterparts, the Allies had a clear advantage in the air and in men and supplies. The result was ultimate success in breaking out from Normandy. What was the cost to each side in casualties in the fighting around the Falaise Pocket?
7. What did women contribute on the home front?
8. How was the Canadian economy transformed by the war?
9. How did the status of women change during the war?
